- Demos and equipment are largely sorted by major concepts, but some things may be used for multiple purposes. These things are kept wherever they fit best.
- Shelves are numbered from floor to ceiling, 1 is always the lowest shelf in a given area (except tables), 0 is always floor storage.
- If you are taking a demo or equipment, please note the location and sign it out on the sheet by the stairway door. If you are returning something, please sign it back in and return it to its original location.
- If you are unsure of something's location, you may find it catalogued on the website hebbdemo.phas.ubc.ca, or you can ask the demo room assistant in person or via email (demo@phas.ubc.ca).
